BRIDGING THE GAP

Latinx Community
& Health Equity
Research Conference

This conference aims to bridge the gap between researchers and the community to more effectively address health disparities that negatively impact South Florida's Latinx communities including substance use, violence/trauma and HIV/AIDS

Saturday March 21st
7:30am – 6:30pm

FIU School of International and Public Affairs
Auditorium

CLaRO

Center for Latino Health Research Opportunities
UNIVERSITY OF MIAMI | FLORIDA INTERNATIONAL UNIVERSITY
